HS-6512W

All-in-one solution with a compact design and a stylish look, ideal for retail business with the headache of space limitation

Innovative All-in-one Solution

Featuring a 12″ PCAP touch screen, the HS-6512W integrates the most widely used peripherals options in daily POS operation including MSR, fingerprint sensor, RFID reader, barcode scanner and thermal printer.

Modular Design

Detachable modularized printer design allows quick access to the components, enabling convenient, efficient serviceability.

Small Form Factor

Its compact footprint takes space saving to extremes and creates a clean, cable-free environment.
