

Lenovo Flex 5i Chromebook

Smarter
technology
for all

Lenovo

Living life with flexibility in our fast-paced culture is vital, especially within the hybrid worlds of business and education. Lenovo delivers with the Flex 5i Chromebook, a 360-degree convertible design that's powered by up to 12th Gen Intel® Core™ i5 processors. Combining the reliable performance of Lenovo with the remote manageability and robust security of ChromeOS, the Lenovo Flex 5i Chromebook, is ideal for today's work-and-learn-from-anywhere environments.

This adaptable device flexes to your work and learning style too, transforming from laptop to tablet to tent—and anywhere in between. With up to 10 hours of battery life, this cloud-first device keeps you productive and connected wherever your desk happens to be that day, while ChromeOS provides IT with the ability to manage devices remotely. And when it's time to shift from work or school to play, the Lenovo Flex 5i delivers an immersive entertainment experience with user-facing stereo speakers and IPS FHD display.

Powered by 12th Gen

Lenovo Flex 5i Chromebook

INTUITIVE EFFICIENCY

Easy to use, rugged, and affordable, the Lenovo Flex 5i Chromebook boots up in seconds, ready for all-day performance with up to 12th Gen Intel® Core™ i5 processors, 8GB memory, and 512GB SSD storage. Powered by ChromeOS with built-in virus protection and automatic updates, users access the latest software without pressing pause on productivity.

ENTERPRISE-READY SECURITY

The Lenovo Flex 5i Chromebook supplies inside-out security. With Lenovo ThinkShield, every aspect of the user experience is protected. Plus, ChromeOS security provides sandboxing, safe browsing, and regular automatic security updates that happen in the background.

INSPIRING CONNECTIONS

The Lenovo Flex 5i Chromebook features two USB-C 3.2 ports, one USB-A 3.2 port, and one audio jack for speedy data transfer, multimedia streaming, and battery charging to multitask with efficiency. Plus, you'll experience the latest Intel® Wi-Fi 6E and Bluetooth® 5.0 to enable fast, reliable connectivity.

Experience the power of Chrome Education Upgrade & Chrome Enterprise Upgrade.

Chrome Education Upgrade and Chrome Enterprise Upgrade allow schools and businesses, respectively, to manage hundreds of Chromebooks in seconds. IT admins can deploy new devices, customize features, and configure security settings from one cloud-based admin console—eliminating the need for a fleet of at-risk endpoint devices.

With zero-touch deployment, scalable cloud-based management, and 24/7 support, Chrome Education Upgrade and Chrome Enterprise Upgrade allow IT to focus on learning and business innovation. Plus, advanced security deters end users from falling hostage to harmful attacks and mitigates impact if one prevails.

Powered by 12th Gen Intel® Core™ i5 processor

Services

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment—you can focus on the job at hand, not IT.

ChromeOS ZERO-TOUCH ENROLLMENT

Get the right devices to employees while securing endpoints, surfacing new cloud-based tools, and managing overburdened help desks. Zero-touch enrollment from Lenovo and Google allows remote deployment and auto-enrollment, shipping devices ship directly to users.

PREMIER SUPPORT

As IT budgets contract, you need to reduce complexity, decrease operational costs, and find ways to increase efficiency from your in-house IT support teams. Lenovo™ Premier Support manages routine support tasks, freeing IT focus on strategic efforts that move the organization forward. Boost end-user productivity and limit downtime with direct access to elite Lenovo engineers who provide unscripted, advanced hardware and software support.

CO₂ OFFSET SERVICE

As the first in the industry, Lenovo offers this certification service to customers who wish to purchase their PC products CO₂-compensated over the device's lifecycle. Included in the hardware transaction, CO₂ compensation is based on realistic emission by product, covering production, shipment, and typical usage cycle (5 years). This service proactively supports reduction of CO₂ emitted in the atmosphere and compensates for environmental impact of business operations.

Accessories

Lenovo Wireless Mouse

Designed to offer the best balance between mobility and function, this mouse features a 1000 dpi sensor, three buttons, and a unique ergonomic contour. Get a 12-month battery life from a single AA battery and a 10-million-click button lifecycle.

¹ Battery life based on testing with PLT (power load test). Battery life varies significantly with settings, usage, and other factors.

² The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 5 Gbit/s.
